Syed Mahmudul Huq

Management	Mr. Syed Mahmudul Huq, Managing Director
Company Status	Private Limited Company
Number of Employees	60 (TSI)

Nature of Business

National Distributor of **TOTAL** Brand of Lubricants for their entire range of lubricating oil and solvents including marine lubricants. Also, it is involved in other petroleum products including Liquid Petroleum Gas (**LPG**) as one of the shareholders of **Premier LP Gas Limited (TOTAL GAZ)** and currently Mr. Huq is the Vice Chairman of its Board of Directors. Besides, TSI works as an **outsourcing partner** of a Japanese conglomerate for pre-commissioning, commissioning and handing over of large fertilizer plants with 0.5million MT to 2.2million MT annual capacity built by them in different continents across the globe. In addition, it has stakes in renewable energy (**Japan Solartech Bangladesh Limited**) and Information and Communications Technology (**ICT**) including Software Development (**Technology Solutions Limited**), Internet Services (**ISP: Broad Band Telecom Services**), Inter Connection Exchange (**ICX: M&H Telecom**) and International Gateway (**IGW: VENUS Telecom Ltd**). One of its affiliates (**EMEM Systems Limited**) is the Bangladesh representative of **PANASONIC** brand of Office Equipment, Office Automation and Education Equipment. Besides, it has an assembly plant for automotive and solar batteries under the brand name of **GS YUASA**. Mr. Huq is also Chairman of a non-profit research and advocacy organization, viz., **Bangladesh Shrimp and Fish Foundation**, acting as an interface between the Government and the Industry, to create a hygienically safe, economically viable, environmentally sustainable and socially responsible aquaculture industry in the country.
