### Background

#### About TUSUKA

Texel Ltd., a buying house established in 1992. Over the years success and necessity gave confidence to set up production units, in this process TUSUKA was born in the year 2000 to meet the desired needs.

TUSUKA has gathered adequate knowledge and professional expertise in woven garments. The total turnover of TUSUKA in last year was around USD 127.0 million with all the difficulties in this trade and employed approx 13000 people. TUSUKA is one of the largest jeans trousers manufacturers in Bangladesh. The specialty is any kind of fashion wash with all kinds of dry and wet process on the denim garment.

Success and confidence motivated TUSUKA to diversify its business in the service sector; NovoTel (International Telecom Gateway), NovoCom Ltd. (ITC+IIG), InterCloude (Internet Service Provider), NovoAir (Air Transport Services), NovoHolidays ( IATA accredited agency) and Tiger Airways (Air Transport Services) are successful ventures in this regard.

### Nature of Business

100% Export Oriented Readymade Garments
