### Background

Dipon was founded by Mr. Mahmud Hasan, the current Chairman in 1970. Over the years the Group has evolved in the present stage where it has overseas presence in India, Singapore, Malaysia, UAE and Saudi Arabia.

### Nature of Business

Core business of Dipon Group is in Energy Sector. DGCO is the strategic partner of Chevron Bangladesh Block 13 & 14. DG also has a distinguished record in laying main gas grid lines all over Bangladesh. DISL is in EPC (Engineering Procurement & Construction) of Oil & Gas Process Plants, LPG Tank Terminals and also IPP Power Plants. So far DISL has successfully carried out a number of 100 MW Dual Fuel plants, Bibiyana Gas Field Expansion as well as process plant erection and expansion, Omera Petroleum's LPG Terminal etc. DCSL is in ADC (Alternative Delivery Channel) business in conjunction with Prime Bank Ltd. The product is called Prime Cash and it is a Biometric Finger Print Authenticated Fully Secured Smart Card designed for the urban and semi urban unbanked/under banked masses. DCSL won the best innovative product award in 2013 London Mastercard PayExpo. DGIL is engaged in various electronic data base (DB) related business. For instance, DGIL is currently carrying out an assignment of issuing two million Fishermen ID Cards on behalf of the Department of Fisheries (DOF). DGIL is also enrolling and delivering MRP Passports for expat Bangladeshis in United Arab Emirates & Kingdom of Saudi Arabia in conjunction with Iris BERHAD.
