### Background

Engaged in importing and distributing French based company Bonilait- Protiens, food related to bakery and confectionery in Bangladesh since 2002. The company has distribution network in Bangladesh with strong logistic support.

The strength of Esteem Business is the perfect entrepreneurship management which helps the company to expand and flourish effectively and efficiently.

### Nature of Business

- Importing house of textile chemicals and silicon softener for textile finish from China and India.
- Textile Machinery sourcing from China, Taiwan and Korea along with consulting the turn key projects for textile machineries.
- Importing house of Industrial Bakery Ingredients from Bonilait-Protiens France and trying to enroll with another French company SOFIVO- ARMOR Proteins.
- Sourcing and Indenting house for polyester yarn and cotton yarn from China for textile finish.
- Planning for establishing a bakery ingredients factory at Gazipur Company's own premises. Schedule for production 2017.
