### Background

JEWEL OPTICALS has been established in 1982 with a view to care of eyes. From the beginning it has achieved its goodwill for the wholesale trade throughout Bangladesh. To maintain the chain of business with quality and price JEWEL OPTICALS has attained the Sole Distributorship of World famous companies of Asia, Europe and America. It has obtained sole Distributorship of World renowned frames, sunglasses and Lenses like FRED (France), ESSILOR (France), RAY BAN (Italy), LUXOTTICA (Italy), POLICE (Italy), FILA (Italy), ZEISS (Germany), RODENSTOCK (Germany), American Optical Lenses (USA) and CORNING Photocromatic Lenses (France). With a view to help the mass especially of minimum income group of people Jewel Optical established a Plastic Frame Industry in the name of "STYLE OPTICAL FRAME INDUSTRIES LTD." It is moving onward to attain the goodwill not only in the Dhaka Metro-city but also all over Bangladesh. Jewel Optical has established the "STYLE OPTICAL LENS GRINDING IND. LTD." for processing accurate power on ophthalmic white and photocromatic glasses. Jewel Optical has expanded 7 (Seven) retail show rooms in the Dhaka Metro-City with the name "JEWEL OPTICS". These show rooms are located at 37/3, New Elephant Road; 4/A Dhanmondi, Century Arcade, (Moghbar); Navana Tower, (Gulshan-1); Belly Complex (Uttara), Bulu Ocean Tower (Banani), ABC Plaza (Mohakhali). Every show room is well decorated with it's own modern auto refractometer (Computer) and modern eye equipment for testing eye with an experienced Doctor who care for your need. Jewel Optical has also established "JEWEL CR-39 PLASTIC LENS IND. LTD." This has brought a radical change in the arena of Plastic Optical Lenses in Bangladesh, which provides accurate power with best lightness of the lenses according to the Eye Doctors prescription. JEWEL OPTICALS is committed to serve with the fixed reasonable price, best quality and excellent service.
