Background

In Bangladesh Bureau Veritas has started journey in April 2000 with the facilities as Textile testing, Inspection and Social Audit services in Dhaka Export Processing Zone, Savar, Dhaka. Under Consumer Products Services in Bangladesh, we provide Testing (physical, chemical & environment etc), Chemical management, Inspection, Factory Audit, CSR and Lab services for readymade garments, leather and footwear sector.

We have also a full fledged lab in Chittagong in KEPZ..

Created in 1828, Bureau Veritas is a global leader in Testing, Inspection and Certification (TIC), delivering high quality services to help clients meet the growing challenges of quality, safety, environmental protection and social responsibility. As a trusted partner, Bureau Veritas offers innovative solutions that go beyond simple compliance with regulations and standards, reducing risk, improving performance and promoting sustainable development. Bureau Veritas serves more than 400,000 clients in 140 countries, more than 1,400 offices and laboratories with more than 66,000 employees including many experts.

Nature of Business

Bureau Veritas helps to manage your quality, health & safety, environmental & social responsibilities issues. It's a Conformity Assessment Body.
