### Number of Employees

Currently Elite Force has over 14,500 employees

### Background

Elite Security Services Limited, also known as "Elite Force" is the largest private security service providing company in Bangladesh. The company ranks top in terms of size and the services it provides to its clients amongst 400 plus similar companies in the industry. Elite Force began its journey in November of 1999 with just a few guards. In the past 14 years the company has grown phenomenally, and currently it has over 14,500 guards situated all over the country.

The clientele of Elite Force consist of various Embassies, National and Multinational Organizations, National and Multinational Banks, National and Multinational NGOs, Garments Factories, Power Plants, Corporate Offices, Apartments, Office Building etc. The company takes pride in having operations in all 64 districts of Bangladesh, even in the most remote and inaccessible locations of the country. Excellent customer responsiveness makes Elite Force standout among its competitors. Most of the top management officials of Elite Force are high ranking ex-military personnel who have impressive track record and profound experience in the field of security. Elite Force provides the widest range of security services both locally and internationally.

Elite Force also has one of the strongest infrastructures in the industry with its very own 6 storied Corporate Headquarters located in Baridhara called 'Elite Tower' and its very own 32,000 sq ft training institution called 'Elite Academy', which is located just 02 km away from the American Embassy in Dhaka.

The Organization also has over 32 Cash Carrying Vehicles and a strong Information Technology setup to ensure the best customer service.

### Nature of Business
