Company Status

U.B.A.F. is a French registered bank established in 1970. Its shareholders originate from 19 Arab countries along with Crédit Agricole Corporate & Investment Bank. With its international network in Asia, in the Arab world and in Europe, U.B.A.F. has become a key player in the area of Trade Finance with Arab countries. U.B.A.F. is able to meet with the needs of both importers and exporters and to secure the flows of payments and goods from industrial or trade commodity companies.

Number of Employee 11

Background

UBAF, a long-standing partner of the International Islamic Trade Finance Corporation (ITFC), recently participated in an Islamic financing project for the Egyptian government. This major operation mainly finances imports of basic necessities for a total amount of USD 1, 13 billion. UBAF, with its expertise in supporting and securing trade flows, contributed USD 80 million.
