### Background

Created in 1828, Bureau Veritas is a global leader in Testing, Inspection and Certification (TIC), delivering high quality services to help Customers meet the growing challenges of quality, safety, environmental protection and social responsibility.

As a trusted partner, Bureau Veritas offers innovative solutions that go beyond simple compliance with regulations and standards, reducing risk, improving performance and promoting sustainable development.

Bureau Veritas core values include integrity and ethics, impartial counsel and validation, customer focus and safety at work.

Bureau Veritas is recognized and accredited by major national and international organizations. Bureau Veritas in Bangladesh started operations in 2003 and today has over 147 employees, having offices and laboratories in major business cities (Dhaka, Chattogram and Khulna). Bureau Veritas (Bangladesh) Private Limited is a well-known name and leading player in Industrial, Civil & Structural Services for CAPEX and OPEX projects including construction material testing.
