Background

- a. Elite Security Service Ltd (ESSL), also known as "Elite Force", is the current "Industry Leader" among the prevailing private security companies in Bangladesh. Since the beginning of its journey in November 1999, through various passages of continuous development & professional growth, ESSL attained the top position amongst 800+ private security companies in Bangladesh.

- b. The company also ranks top in terms of quality & services which we are ensuring 24/7 through well trained & experienced team of retired/ex-Military officers, Junior Commissioned Officers and Non-Commissioned Officers joining from different organs of law enforcing agencies working in Bangladesh.
- c. We pride ourselves in being able to provide the widest range of security services tailored to fit customers' requirement in all the 64 districts within the country, even in the remotest of areas which goes hand in hand with our exceptional set up of 24-Hour active CENTRAL MONITORING CELL and the uniquely added Quick/Emergency Response Team. Being guided by a strong and experienced ex-military management team and supported by a superior IT infrastructure and recently developed modern corporate facilities, we are a formidable outfit in the private security sector.
- d. We have built the most credible infrastructures in the industry, like a 7-storeyed building as dedicated Corporate Headquarters, two huge Training Academy and an unparalleled Dog Squad, only of its kind in the whole of the region in the private security sector. We have a strong fleet of 43+ vehicles making us confident with dedicated support round the year which includes the Emergency Response Team keeping 4 vehicles as Stand By to support any distressed calls at any time.
- e. We have broken the monopoly of Embassy guarding by a multinational company in Bangladesh and are now guarding 16+ Embassies & High Commissions. From January 2019, we have taken over the guarding services of the High Commission of India from the particular multinational security company, who were there for the last 25 years.
- f. We have 65% of the Banks in our country as our clients, supplying the largest number of Gunman for CIT services to the banks and other financial institutions. We have given security services to International Organisations, UN Bodies, NGOs and many others. Besides we do have a big presence in the Garment industry of the country. Our other clients are Office Blocks, Apartment Complexes, Telecom Operators, Power Plants, Pharmaceuticals, Colleges and multitude of other clients.
- g. We are securing more than 100+ multinational companies in Bangladesh. Recently, we have taken over ICDDR'B, SMC, British Council, Save the Children & many more customers from the branded multinational security company. Foreigners from Gildan, ASAP, GEOS, BRAC IED, Amarante etc. are our regular clients for executive protection.
- h. Besides Guarding Services, we have diversified our services like, providing Close Protection Services for clients like Netflix, Facebook, Google, Pinkerton, etc. Body Guard & Armed Escort Service, Remote Area Operations. Maritime Patrolling, Provision of Armed Gunman for Cash in Transit (CIT), Risk & Vulnerability Analysis, Security Survey & Plan, Investigation, Helicopter Escort, Auxiliary Services (Office Peon, Tea Boy, Driver), Conducting Training on Safety & Security, Logistic & Digital/Electronic Security Services & multitude of others.
- i. 80% big events like Exhibitions, Concerts, Musical soiree, Festivals, Ceremonies are covered by Special Event Security Team of Elite Force. Above all, to support above mentioned different operational activities, we have dedicated & self-owned 70 X different vehicles in our fleet for all regular and special operations.
