Background

Knit Concern Group is situated in Narayanganj – the largest River Port City of Bangladesh. Its origin got started in 1990 from a rented building at Nayamati in the city. By virtue of futuristic enterprising drives, dedication to quality, commitment to excellence, keen focus on customers' satisfaction and persistent reliance on cutting-edge technology, its entrepreneurs and management have successfully got that industrial embryo to rapidly metamorphose into the Knit

Concern Group of today – a full-fledged composite knit textile base. At present, it produces over 40 tones of knit fabrics, 40 tones of dyed fabrics, 25 tones of yarn-dyed fabrics and about 1,80,000 pieces of quality knit garments every day. It has been growing at an annual rate of about 20 percent since long.

Knit Concern is certified with ISO 9001:2015 Quality Management System, BSCI, ICS, HIGG INDEX, OCS, RCS, GOTS & OEKO- Tex. It is one of the top contributors to the national exchequer and revenue income – for which, government awarded its founder as well as President & CEO, Mr. Joydal Abedin Mollah, the status of CIP (Commercially Important Person) for successive five years starting from 1995.

Nature of Business

100% Export Oriented Composite Knitwear Industry
