### Activity

At Schneider, we believe access to energy and digital is a basic human right. We empower all to make the most of their energy and resources, ensuring Life Is On everywhere, for everyone, at every moment.

We provide energy and automation digital solutions for efficiency and sustainability. We combine world-leading energy technologies, real-time automation, software and services into integrated solutions for Homes, Buildings, Data Centres, Infrastructure and Industries. We make process and energy safe and reliable, efficient and sustainable, open and connected.

We are committed to unleashing the infinite possibilities of an open, global, innovative community that is passionate about our Meaningful Purpose, Inclusive and Empowered values. Our story is written by generations of people who have transformed our company, and the world, for almost two centuries. Today, our heritage empowers us to innovate at every level – and to ensure that Life Is On.

Our promise to future generations : we will be part of the solution, taking urgent actions to co-create a brighter future for everyone, everywhere. A future where access to energy and digital are basic human rights.
