Background

Over the 20 years of experience, 'TEXTISS Bangladesh' came from the root of 'Mustang' with a view to build the credential in apparel industry as a buying agent. As this is a buying agent, this company works for several renowned brands which are from France, UK and many other countries around the world. 'TEXTISS Bangladesh' has a view where they want to set up a bar for not only this company but country as a whole by providing all kinds of support, quality and reliability towards foreign companies.

It produces apparel for their valued customers starting from one stop service, in House Design maintaining, liaison with Clients, Technical Support, Sampling and Production from Social Audited factories, testing of raw materials, checking patterns, A-Z quality control supervision to Shipping and Export Documentation.

Nature of Business

Garment Buying House
