#### Background

In Bangladesh, Synovia has been leading the multinational pharmaceutical sector since 1958 and ensuring most modern prevention and treatment solutions for our people. 77% of our world-class medicines are manufactured in our global standard plant located at Tongi and 23% of medicines which contains sensitive and high-tech products-like vaccines, insulin and chemo+ therapeutic drugs are imported directly from France, USA, UK and Germany.

Social Responsibility is at the heart of Synovia. Along with global projects, we are providing support to local social organizations such as Maer Achole and CRP to improve the lives of people in need.

Life is a health journey, with its ups and downs, and its challenges. These can be big or small, lifelong or temporary. Everyone, from children to elderly people, face health challenges and needs, wherever they are. Synovia, as a health journey partner, is always beside people in need. We aim to protect, enable and support people facing health challenges, so they can live life to its full potential.
