Background

Confidence Trade Limited (CTL) was established as a private Limited Company in 1983 for marketing Century Brand Split Air Conditioner as distributor of Kyung Won Century Co. Ltd of Korea. In 1989, CTL started the central air conditioning business. From 2003, CTL is the distributor of O.Y.L Manufacturing Company which has been acquired by Daikin later on. From 2004, CTL is associated with the Trane Company of U.S.A. for marketing Trane brand Chillers in Bangladesh. Because of successful performance CTL is the official distributor of Trane products now. Trane has factories in U.S.A. France and China. Till today, CTL has sold innumerable numbers of Splits, Ducted Units and Chillers to different customers. CTL is the largest Air Conditioning Contracting Company in Bangladesh. The main activity is in industrial, commercial and pharmaceuticals sectors. To name few projects using Trane/Acson/Century products are the Westin Dhaka Hotel, Bangladesh National Parliament House, SPL Western Tower, Eastern Bank Head Office Building, Akij House, Bangladesh Bank Head Office, Standard Chartered Bank, BGMEA Complex, Unique Trade Center, Banglalink Head Office, LGED Building, Radisson Water garden Hotel, Hazrat Shahzamal International Airport, Bangladesh Television Bhaban (BTV), Square Pharmaceuticals Ltd, RAK Tower, Nafi Tower, All Pizza Hut and KFC outlets etc.

Confidence Trade Limited is a Heating, Ventilation & Air Conditioning Contracting Company which guarantees quality, cost effective innovation and professional service. We have qualified experienced people to cater our regular business. We have all the necessary installation and testing equipment and tools to provide top quality job.
